

How to Log ALU-Recognized Credits

Use this guide to submit completed Optimum Academy learning paths for ALU-recognized continuing education credit.

Starting point: Once you are on the ALU Continuing Education page, log in to track your credits. When you get to the submission section, use the steps below to complete your entry.

Step-by-step submission guide

1. Go to the ALU Continuing Education page and log in to access your continuing education record.
2. Open the area where you can submit a new continuing education credit entry.
3. Select Virtual Training (industry) as the category.
4. Select Virtual Learning Paths as the subcategory.
5. Enter the learning path name as the CEC Title, such as Heart 101, Diabetes 101, or the title of the Optimum Academy learning path you completed.
6. In the description field, enter Completed Optimum Academy learning path.
7. For the Date of CEC, enter the date you completed the learning path.
8. Enter 1 credit for each completed learning path submission.
9. Confirm that your entry falls within the approved submission period of January 1, 2026 through December 31, 2027, then complete your submission.
